

State of Colorado Medical Certification Form Employee's Health Condition

Instructions to Department/Institution: For the employee's condition, fill in the following. You may attach the job duties from the official PDQ. Please complete this portion before giving to the employee. This completed form is to be placed in a separate, confidential medical file with limited access.

Employee's job title:	Regular work schedule:
Essential functions of the job:	Check if job duties list is attached: _____

Instructions to Employee: Fill in your name and employee ID # prior to giving this form to your health care provider. If this document is returned incomplete, or contains vague/ambiguous responses, it will be returned to you for correction. Failure to provide a complete and sufficient certificate within 15 calendar days may result in denial of sick leave and the possible delay or denial of any applicable family/medical leave. Providing false information, knowingly, either directly or through another party, may result in corrective and/or disciplinary action.

Employee's Name:	Employee ID:
------------------	--------------

Instructions to Health Care Provider: Please limit your responses *only* to the condition for which the employee is seeking leave. In order to avoid potential adverse consequences for the employee, please answer, fully and completely, all applicable parts. Several questions seek a response as to the frequency or duration of a condition, treatment, etc. Your answer should be your best estimate based upon your medical knowledge, experience, and examination of the patient. Be as specific as you can; terms such as "lifetime", "unknown", or indeterminate" may not be sufficient to determine FMLA coverage. Be sure to sign the form on the last page and return to the employee.

Definitions for Medical Certification Form

“**Serious Health Condition**” is an illness, injury, impairment, or physical or mental condition that involves one of the following.

1. Inpatient Care.

Inpatient care (i.e., an overnight stay) in a hospital, hospice, or residential medical care facility, including any period of incapacity or any subsequent treatment in connection with such inpatient care.

2. Incapacity and treatment.

A period of incapacity of **more than three consecutive calendar days** (including any subsequent treatment or period of incapacity relating to the same condition) that also involves:

- (1) **Treatment two or more times within 30 days of the first day of incapacity**, unless extenuating circumstances exist, by a health care provider, by a nurse under the direct supervision of a health care provider, or by a provider of health care services (e.g., physical therapist) under order of, or referral by, a health care provider;

OR

- (2) **Treatment** by a health care provider on **at least one occasion** which results in a **regimen of continuing treatment** under the supervision of a health care provider.

Treatment by a healthcare provider means an **in-person visit** to a health care provider. The first or only in-person treatment visit **must take place within 7 days of the first day of incapacity**.

3. Pregnancy.

Any period of incapacity due to **pregnancy**, including **prenatal care**.

4. Chronic Conditions Requiring Treatments. A **chronic condition** which:

- (1) Requires **periodic visits (at least twice a year)** for treatment by a health care provider, or by a nurse under the direct supervision of a health care provider; **AND**
- (2) Continues over an **extended period of time** (including recurring episodes of a single underlying condition); **AND**
- (3) May cause **episodic** rather than a continuing period of incapacity (e.g., asthma, diabetes, epilepsy).

5. Permanent/Long-Term Conditions Requiring Supervision.

A period of **incapacity** which is **permanent or long-term** due to a condition for which treatment may not be effective. The patient must be **under continuing supervision of, but need not be receiving active treatment by, a health care provider** (e.g., Alzheimer's, severe stroke, terminal stage of a disease).

6. Multiple Treatments (Non-Chronic Condition).

Any period of absence to receive **multiple treatments** (including any period of recovery there from) by a health care provider or by a provider of health care services under orders of, or referral by, a health care provider, either for **restorative surgery** after an accident or other injury, or for a condition that **would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment**, such as cancer (chemotherapy, radiation), severe arthritis (physical therapy), kidney disease (dialysis).

“**Treatment**” includes examinations to determine if a serious health condition exists and evaluations of the condition. It does not include routine examinations.

“**Regimen of Continuing Treatment**” includes, for example, a course of prescription medication (e.g., antibiotics) or therapy requiring special equipment to resolve or alleviate the health condition. A regimen of treatment does not include the taking of over-the-counter medications such as aspirin, antihistamines, or salves; or bed-rest, drinking fluids, exercise, and other similar activities that can be initiated without a visit to a health care provider.

“**Incapacity**” is defined to mean inability to work, attend school or perform other regular daily activities due to the serious health condition, treatment therefore, or recovery there from.
