Loging into SharePoint on a Federal or State Computer

It's the Same

Step 1: Get or ensure you have an @dmva.state.co.us Microsoft Account. If you need one reach out to it@dmva.state.co.us.

Step 2: Ensure you have the Microsoft Authenticator App on your phone and are logged in with your @dmva.state.co.us account.

Step 3: Visit https://dmvacolorado.sharepoint.com/

Step 4: Login using your **USERNAME** and **NOT** your email address.

This should be First**INITIAL**LastName@dmva.state.co.us (your email address is first**NAME.**LastName@dmva.state.co.us, note the difference between MMouse@dmva.state.co.us vs Mickey.Mouse@dmva.state.co.us, for example).
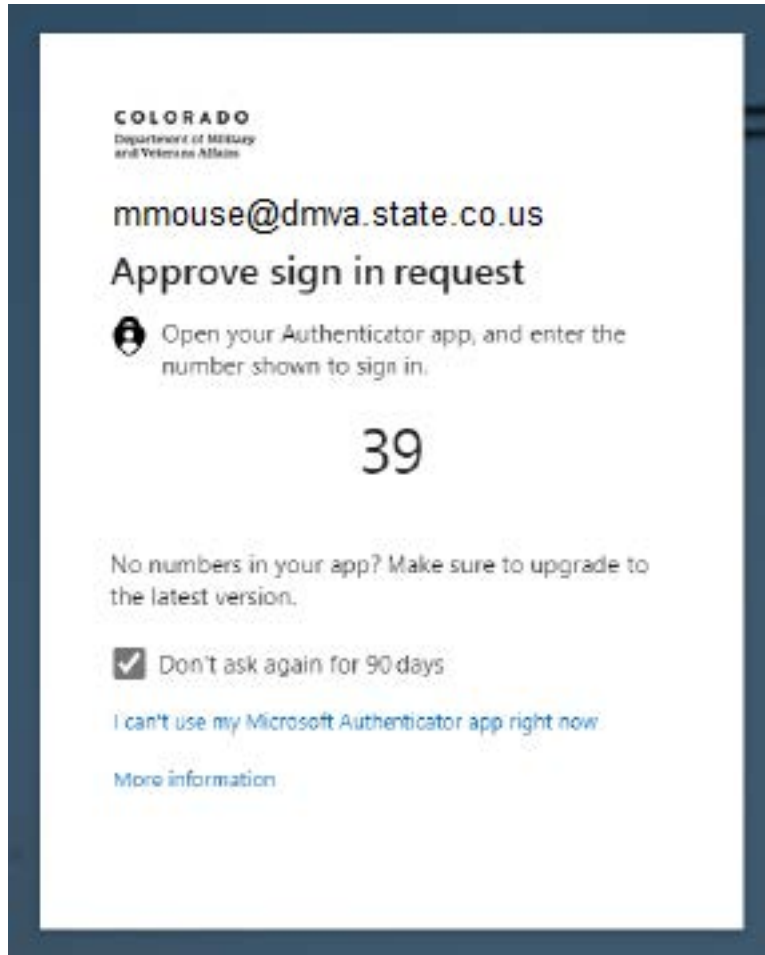

Step 5: If prompted, open the Microsoft Authenticator App and submit the code or confirm the number on the screen.

Step 6: If prompted, check that your information is up-to-date (email and phone number).
